### Objectives

- Identify up-to-date resources for professionals who work in visual impairments
- Become familiar with navigating the Livebinder when searching for specific topics
- Use or share a resource with your team, including family members, within the current school year

Figure 1 Two cartoons: question mark and eight smiling children's faces

### Because ... Literacy

**Figure 2 Six pictures: young boy with glasses sitting next to a toddler and looking at a book; hands typing on a laptop computer; baby looking at a computer; a hand touching braille dots, child looking through a binocular; and a boy in a wheelchair touching material with an adult male's hand on top of his hand**

## **Resources in LiveBinders**

- Include information for everyone
- Assist with learning and collaboration
- Provide ideas as "quick-starts" for your instruction
- Use it and make it work for you
