Where to Find ECC DB

1. [txdeafblindproject.org](http://txdeafblindproject.org)
2. Resources
3. Topical Resources
4. Educational Considerations

How Do I Use the DB ECC Considerations?

- Ensure both the VI and DHH ECCs have been used
- Meet as a team to discuss the questions for consideration
- Determine if the student needs instruction in these areas
- Determine who the best provider(s) is/are to support these areas (use the chart in the back to support)
- Review the sample reports in the publication to see examples of how this information can be reported
